

Car Parking Permits

Nethermayne Campus

In order to ensure our car park is only being used by those authorised to use it we are introducing a permit system, which will be managed by an external Parking Management company.

- All staff, students and visitors using the Nethermayne Campus car park must have a parking permit displayed in their car at all times.
- There is no charge for the permits.
- **You must register your vehicle at Reception by 2nd October** to include the following information:
 - ⇒ Your name
 - ⇒ Your vehicle registration & details i.e. make etc.
 - ⇒ Your ID number
- From 5th October an external Parking Management company will be issuing penalties to anyone
 - ⇒ Using the car park who isn't authorised to be there/not displaying a valid permit
 - ⇒ Is parking in an unauthorised space i.e. on the grass, across 2 spaces, in a reserved or disabled bay (if not authorised to be there).
