

# Apprenticeship Open Evening

Thursday 11<sup>th</sup> February 2016

Ipeco are specialists in the design, test, manufacture and supply of aircraft crew seats, executive passenger seats, galley insert equipment, power management products and machined components for the defence electronics and engineering industries.

Ipeco's Apprenticeship is a 4 year programme with the benefits of having:

- First class company training facilities
- A progressive, structured training package
- Level 2 and 3 qualifications including City & Guilds
- Excellent rates of pay

If you know of anyone interested in a career with Ipeco and looking for an apprenticeship call Clare Brooks for an invitation on:

**01702 209715**

*Or write to:*

**Ipeco Group Training Centre**

**Ipeco Holdings Limited, Aviation Way, Southend on Sea,**

**Essex. SS2 6WA.**
